

GREEN DRAGON BOWMEN

Windsor Shoot

Sunday 15th May 2011

Knebworth Park, Knebworth, Hertfordshire

RESULTS

Judge: Mr Keith Darkins & Mr Mike King
Lord "Lady" Paramount: Mr John Bacon

Once again I send out my thanks to all of the archers (and spectators) who braved the gale-force weather and attended our 2011 Windsor Shoot.

The forecast was not really on our side - even starting from the weekend before (which is the date we tend to book for the shoot) right through to the weekend after:- whichever date we picked, I think we'd have been scuppered for the weather.

I was hoping that the 15th would be all sunny and birds tweeting ... but, alas, it was all cloudy and birds (and arrows) being blown off course! At least it didn't rain (well, just a few spots!)! So, for all of those who stuck it out and struggled through until the end we hope you all had an "enjoyable" day and that you've all recovered from your hypothermia (by gum, it was cold!!!) - and we look forward to seeing you again next year, or at our Portsmouth shoot in November.

There were a couple of issues with the results on the day (for a variety of reasons) - but the main one being some score cards still being attached to their score board during the collation of the results. This (and a couple of other issues) did cause a few problems, but these were resolved on the day. Our apologies for this (well, MY apologies...) - but at least things were sorted out at the time.

Sincere thanks to Keith & Mike, our judges for the day; to John Bacon, our Lord P; to "Nina-Tina" for the Raffle and to all other club members and helpers who came along and worked through wind and yet more wind over the weekend :o). A lot of people just don't realise how much goes on behind the scenes and I say it every year, and I will keep on saying it: Helpers - without you the day is just not possible... thank you.

A final thanks goes to Aim-4-Sport for sponsoring the shoot and having their mobile shop present through the day.

- Jo Sheppard
