

# THE GREEN DRAGON BOWMEN

## Portsmouth Club Badge Achievement Scheme

### Rules for Badge Claims

1. A club badge is awarded for shooting the Portsmouth round only. This consists of shooting 5 dozen arrows at 20yds on a 60cm face (or vertical 3-spot face if preferred).
2. The round must be completed in one session.
3. Compound archers will score the inner-ten ring as 10 only.
4. Only full Green Dragon Bowmen members are entitled to claim club badges.
5. Badges will not be awarded for scores below, or level to, that for which a badge has already been awarded.
6. If an archer shoots more than one bow type, they will be entitled to claim badges for each bow they shoot providing the required scores have been reached.
7. If an archer shoots a new qualifying score at a competition or another club's venue and wishes to claim a badge that score must first be handed to the GDB records officer (Dave Leader).
8. All score sheets handed in for badge claim purposes must be signed by the archer and countersigned by someone who witnessed the round, or a target captain.
9. An archer may not claim a badge for a score for which the GDB records officer has no record of.
10. The scores required and the badge colours are:

		Recurve & Compound Bows (including Bare Bows)						
		White	Yellow	Blue	Orange	Red	Black	Gold
All Archers		400	500	525	550	575	585	595

		Longbow						
		White	Yellow	Blue	Orange	Red	Black	Gold
All Archers		200	250	300	350	400	450	500

8. If a member loses a badge, they can purchase a replacement from the club, providing the records officer verifies the award. The fee for a replacement badge is £2.00.
